On a fine day in December, 2022

To: To all of our valued customers

Invoices will be digitized from meter reading in February 2023

Thank you very much for your continuous support.

As part of our efforts to protect the environment, we are working to reduce the use of paper media. at our company,

For guidance on monthly gas usage charges,

From the January 2023 meter reading, We will guide you by "Gas Mobile (WEB invoice)" QR code below, instead of using paper media (receipts).

By using the web invoice, you can check your gas usage statement "anytime" and "anywhere", and we believe that it will improve customer convenience.

We ask for your understanding regarding this operational change.

In addition, From December 2022, we will start accepting registrations for "Gas Mobile (WEB invoice)".

If you wish to issue an invoice after February 2023, we will send it by post after paying the issuance fee of 110 yen. (Free until March meter reading)

*For details on how to use "Gas Mobile (WEB invoice)" QR code below, please refer to the attached sheet (Procedure for using Gas Mobile) and register.
